

Crazy Weather and the Arctic Meltdown: How Are They Connected?

Special Talk by Dr. Jennifer Francis
At the Elizabeth Taber Library

Tuesday, April 12, 6:30PM

Does it seem as though the weather gods have gone crazy lately? It is not your imagination.

The question on everyone's minds is why? And is it related to climate change?

In this presentation, Dr. Jennifer Francis will explain new research that links increasing extreme weather events with the rapidly warming and melting Arctic during recent decades.

This program is free and open to the public.
